

Special Collections

When you donate to one of our special collections we ask that if you are writing a cheque, that you make it payable to "Holy Trinity". We deposit the proceeds of any special collections into our account. We then write a cheque for the total amount to the Diocese, who forward that money to the organization that the collection is assisting.

Unfortunately, if you make your cheque out to, for example, "Share Lent", it makes it impossible for us, or the Diocese, to cash your cheque. We would also ask that you make sure that your cheque is filled out completely, including the date and both amount sections. Our bank will not accept a cheque that is only partially filled out. We apologize for any inconvenience, and on behalf of the organizations benefitting from these special collections, thank you for your continued generosity.
