

God's Law of giving 10% of our income is found in Leviticus 27:30-32

Tithing is mentioned 46 times in the Bible

Suggested Weekly Parish Contribution Based On Personal Income.

1. Column # 1 is an individual's *weekly, monthly* and *yearly income*.
2. Column # 2 is a weekly contribution equal to only $2\frac{1}{2}\%$ or $1/40$ of a person's weekly income.
(*God tells us through His Word in Sacred Scripture that in order to honour God and show Him that we are a good steward of His goods which He has given to us, we should give back to God 10% of our income or 4 times the amount shown in column # 2*)
3. Column # 3 is a weekly contribution of only 5% of our income, equal to only $\frac{1}{2}$ of what God requires of us.
4. Column # 4 is a contribution of *10% of our weekly and yearly income, which is the amount God requires us to give back to Him in support of His Church as the first fruits of our labor and to show Him that we are a good steward of His goods which He has given to us.*
